Re: US v. Anas al Liby 98-cr-1023

Dear Judge Kaplan,

In a filing on July 7, 2014 (Docket #1642), Mr. al Liby's lawyer, Bernard V. Kleinman, said he would file by July 14 his "motion seeking Defendant's severance from the scheduled trials of co-defendants Bary and Fawwaz," along with motions related to Rules 15 and 16.

An entry for the motions related Rules 15 and 16 is reflected on the docket (# 1648), but there is no entry showing a severance motion on July 14. The docket shows one entry for a sealed filing (#1647).

I hereby request that if the sealed filing is al Liby's motion for severance, that it be unsealed. Thank you very much.

Sincerely,

Ben Weiser
